L A S C A S I T A S V I L L A G E

REFRESH BODY, MIND AND SPIRIT
IN A GLORIOUS CARIBBEAN SETTING.

FOUNDED BY DEBORAH SZEKELY, THE ORIGINAL
GOLDEN DOOR WAS INSPIRED BY THE ANCIENT
HONJIN INNS OF JAPAN WHERE TRAVELERS FOUND
A SERENE SANCTUARY FOR REST AND REJUVENATION.
NOW, GOLDEN DOOR TAKES DELIGHT IN BRINGING
ITS UNIQUE PHILOSOPHY AND LIFE-ENHANCING
SERVICES TO GUESTS OF EL CONQUISTADOR
RESORT AND LAS CASITAS VILLAGE.

WELCOME HONORED GUESTS

From the moment you enter Golden Door, elements of earth, air, fire and water will begin to gently transform you. Experience a respite from the world. Begin your journey with the Golden Door Ritual, designed to prepare mind and body for deep relaxation. The Ritual commences with a shower in the Niwa, the Japanese word for a resting place (men's or women's locker room). Niwa attendants will introduce you to the O-furo, a Japanese bath where falling streams of water gently massage the shoulders to melt away tension and stress.

After the Ritual, surrender to the healing powers of a pampering massage, skin care or body treatment, which utilize local herbs and plants grown and blended exclusively for our guests. Allow the Golden Door staff to assist you with selecting services best suited to your personal needs, which will provide an optimal result of well-being, often lasting long after you leave the Spa.

Our Wellness Center offers comprehensive fitness appraisals and individual consultations, along with classes on health, nutrition and stress management. Put this knowledge to use with fitness classes in the Movement Studio. Our signature Yo-Chi and Reebok Core Board workouts are designed to increase strength and flexibility. Tai Chi and yoga classes are offered in the studio and outdoors, in the Casita Gardens overlooking the shimmering turquoise sea. A Cybex weight room and cardiovascular area equipped with treadmills, bicycles and stair steppers, each with a LCD monitor, provides the latest in workout technology.

At Golden Door Spa Café, refuel with refreshing spa creations enjoyed indoors or on the outdoor terrace. Select clothing, gifts and spa products from the Spa Boutique to enjoy at home. Golden Door orchestrates every element to evoke an experience of complete well-being.
